Department of Life Sciences : Vision And Mission

Vision

- ❖ As a Recognized Autonomous College , we will create elite knowledge and technologies in life sciences as a multidisciplinary field.
- ❖ We will be taking care of the excellent graduate education in the courses offered and the diverse research opportunities.

Mission

- ❖ The mission of the Department of Life Sciences at Hindi Mahavidyalaya is to create a new fundamental knowledge and basic research in the field of Life Sciences as a multidisciplinary field. We are committed to excellence in our teaching and we strive to develop each student's ability to acquire and critically interpret knowledge of basic facts and theories of Life Sciences .
